

IN THE CLAIMS

Page 6, line 1, change "Claims" to --What is claimed is:--.

Claims 1-9 (cancelled).

10. (New) A wireless headphone comprising:
a headphone band;
electrical charging contacts in the headphone band; and
at least one magnet in the headphone band;
said magnets and the electrical charging contacts being associated with each other for charge contacting.

11. (New) The charging station for a wireless headphone comprising:
bars projecting out of the charging station as an electrical feed line for electrical charge contacting of a wireless headphone and for receiving the wireless headphone.

12. (New) The charging station as set forth in claim 11 and further comprising
at least one magnet in the region of the bars, which serves to receive the wireless headphone.

13. (New) A wireless headphone system comprising a wireless headphone having a headphone band, electrical charging contacts in the headphone headband and at least one magnet in the headphone band, wherein the magnets and the electrical charging contacts are associated with each other for charge contacting, and a charging station as set forth in claim 11.

14. (New) A wireless headphone system comprising a wireless headphone having a headphone band, electrical charging contacts in the headphone headband and at least one magnet in the headphone band, wherein the magnets and the electrical charging contacts are associated with each other for charge contacting, and a charging station as set forth in claim 12.
